A large, black, cursive lowercase letter 'x' is centered in the square. The letter is formed by two intersecting strokes that curve at the top and bottom.

© Fun Phonics

A large, black, cursive lowercase letter 'y' is centered in the square. The letter has a long, curved top that descends into a loop at the bottom.

© Fun Phonics

A large, black, cursive lowercase letter 'z' is centered in the square. The letter has a curved top that descends into a horizontal base.

© Fun Phonics

Two large, black, cursive lowercase letters 'z' are centered in the square, positioned side-by-side.
