

Phase 1 Scavenger Hunt

Feel the grass beneath your toes, what does it feel like?
Soft, prickly, wet?

Look up at the sky, what can you see? Can you find something that starts with 'c'?

Can you find a minibeast that makes the sound 'b-u-zz'?

Listen for wild sounds. How many birds can you hear? Which one is the loudest?

Can you find something that rhymes with 'thick'?

Lift up stones and logs to see if you can find any minibeasts hiding there. Can you find any b-u-g-s?

Make your own musical instrument. Find a long thick blade of grass and see if you can make it whistle.

Find something that ends with 's'?

Find two sticks and bang them together to see what sound it makes. Can you make a loud and quiet sound?
