

Let's air write it!

Wind down  
the road to  
the park

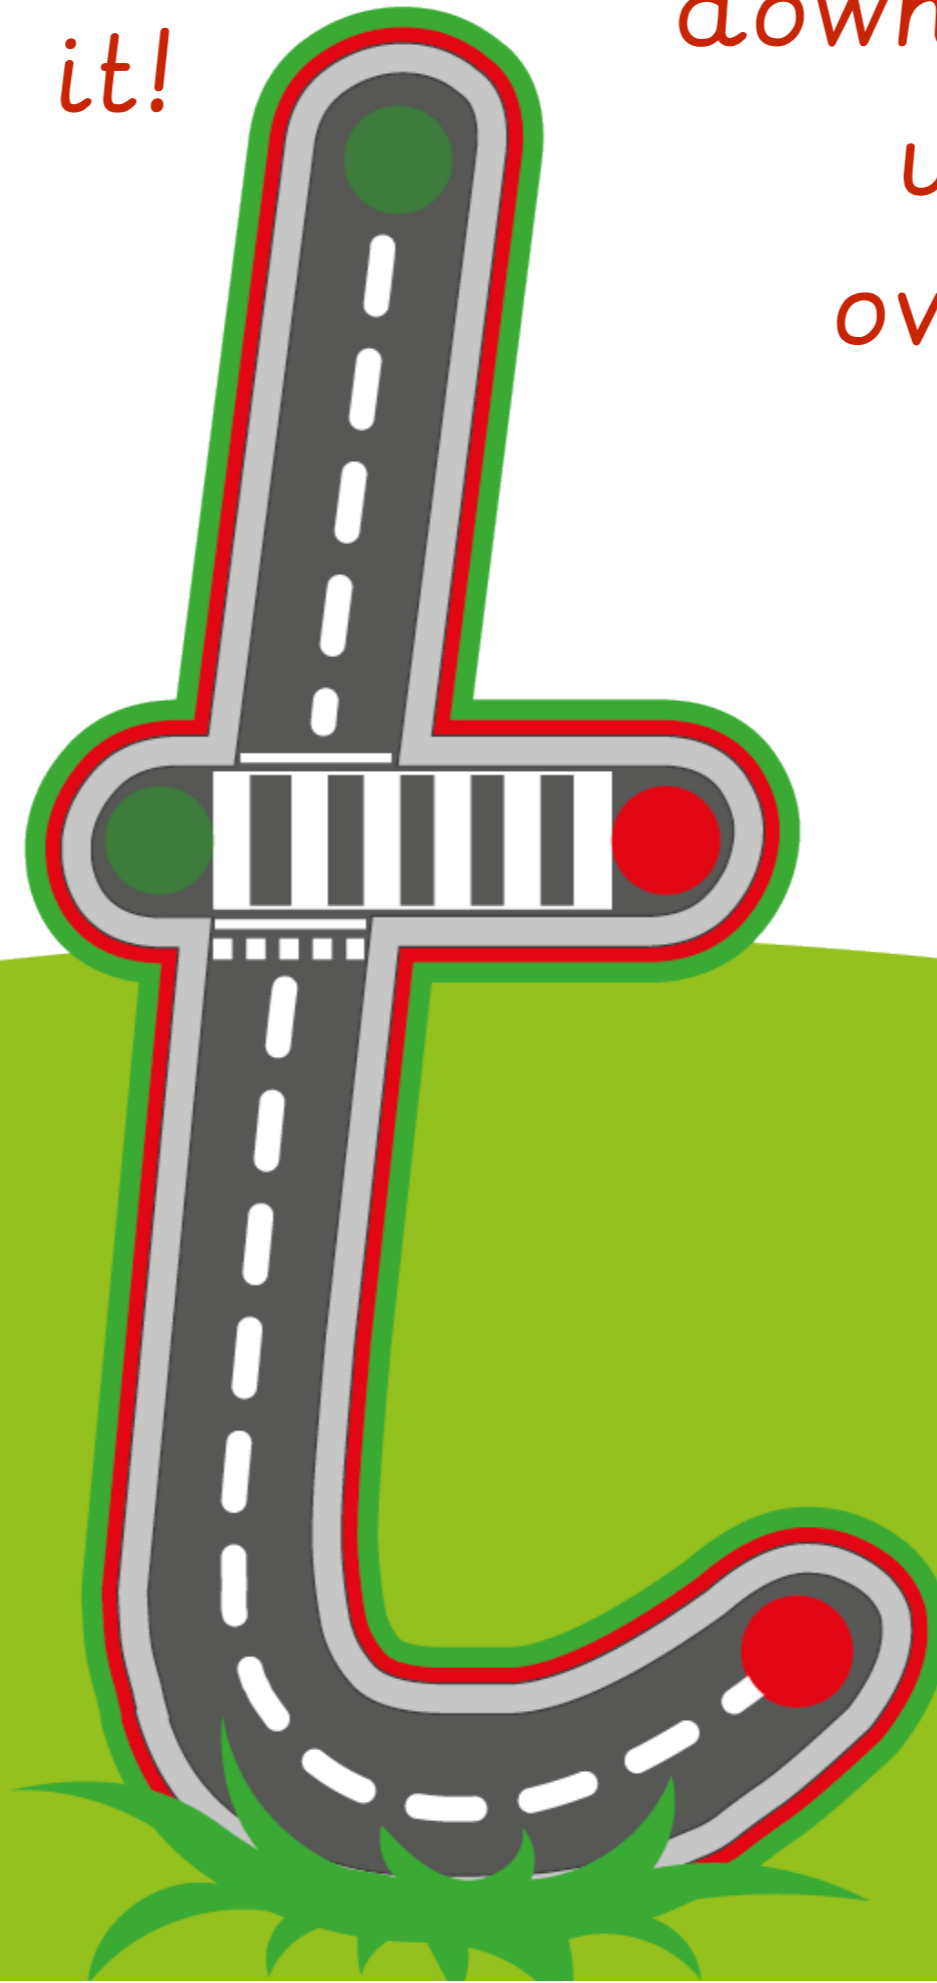

Let's air write it!

Around the  
roundabout,  
down the road  
and  
up to home

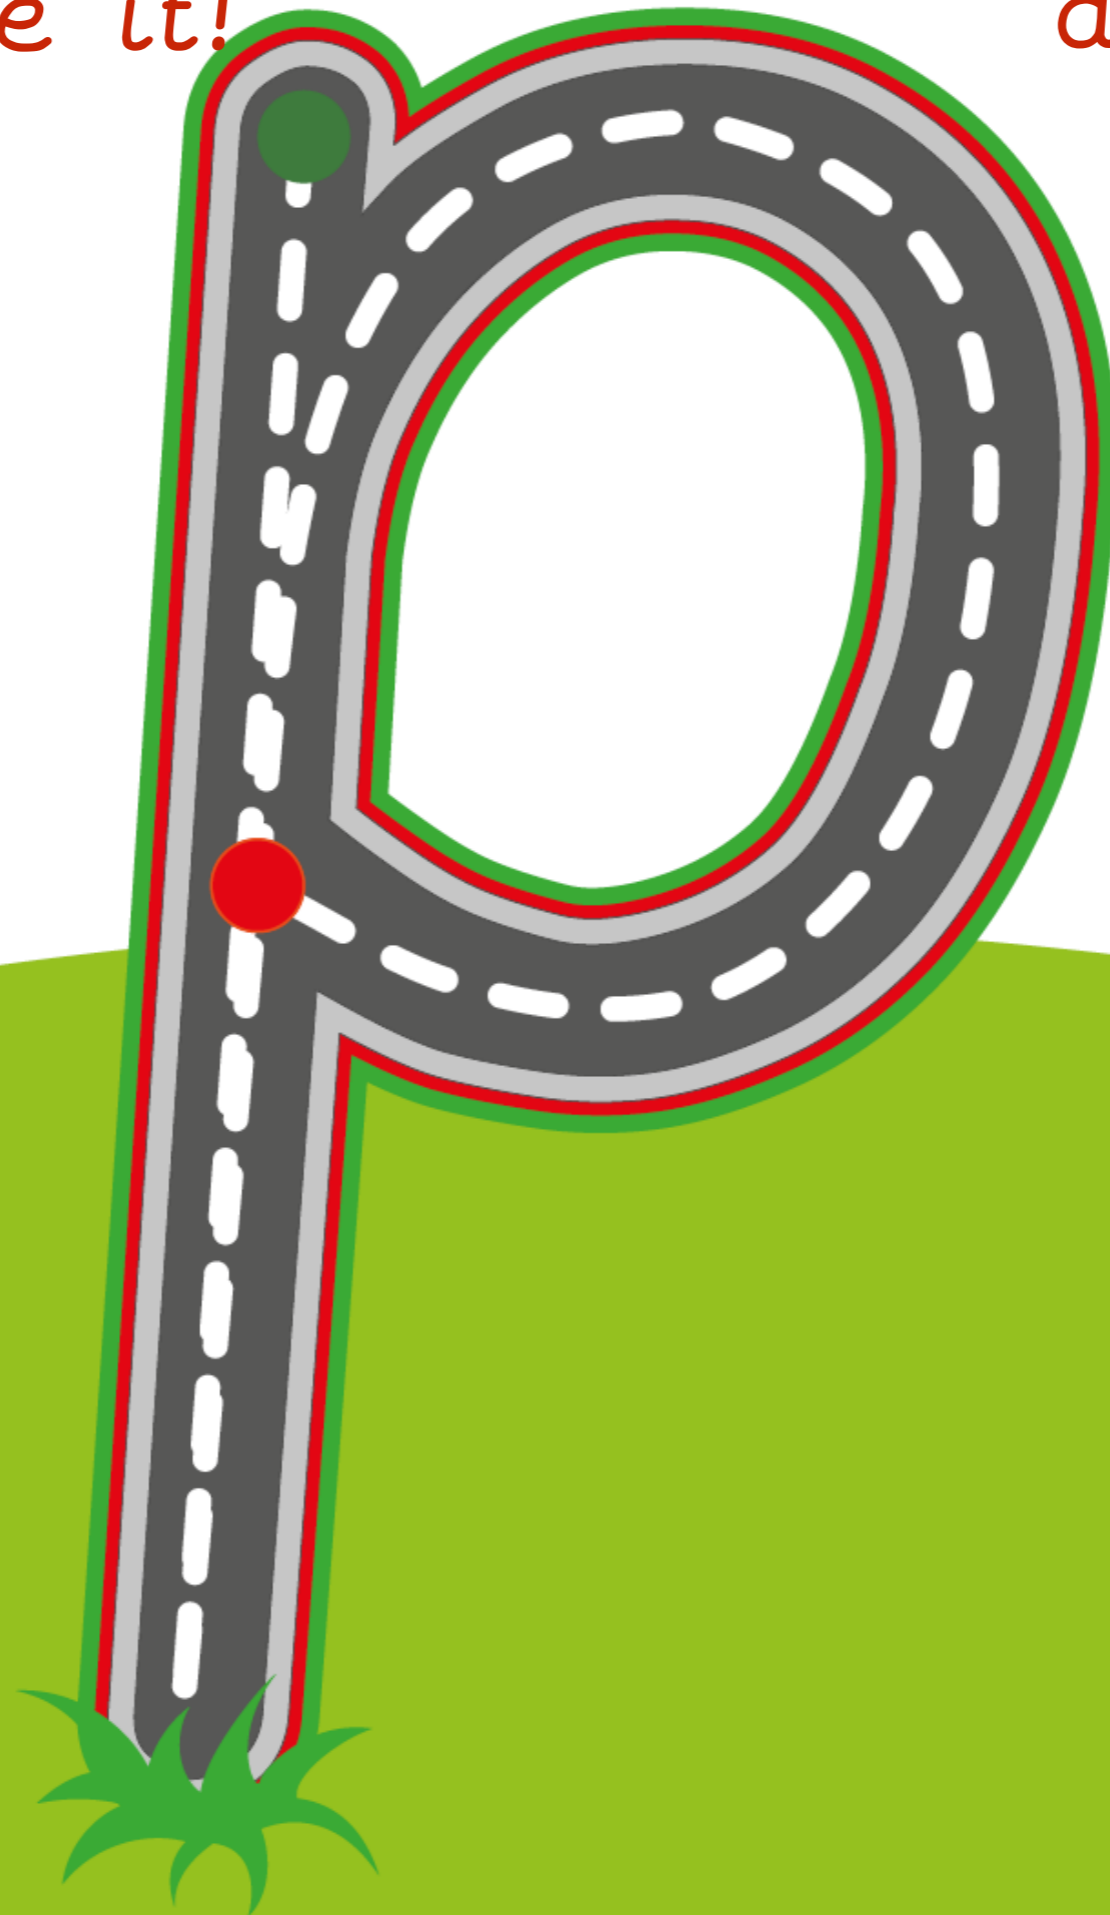

Let's air write it!

down the road and  
up to home,  
over the zebra  
crossing

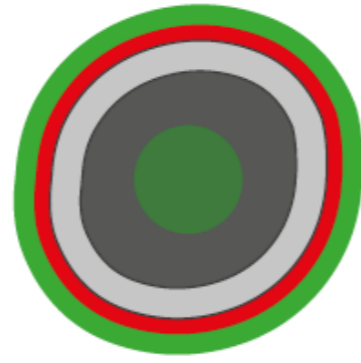

Let's air write it!

down the road  
up the road  
around the  
round  
about

Let's air write it!

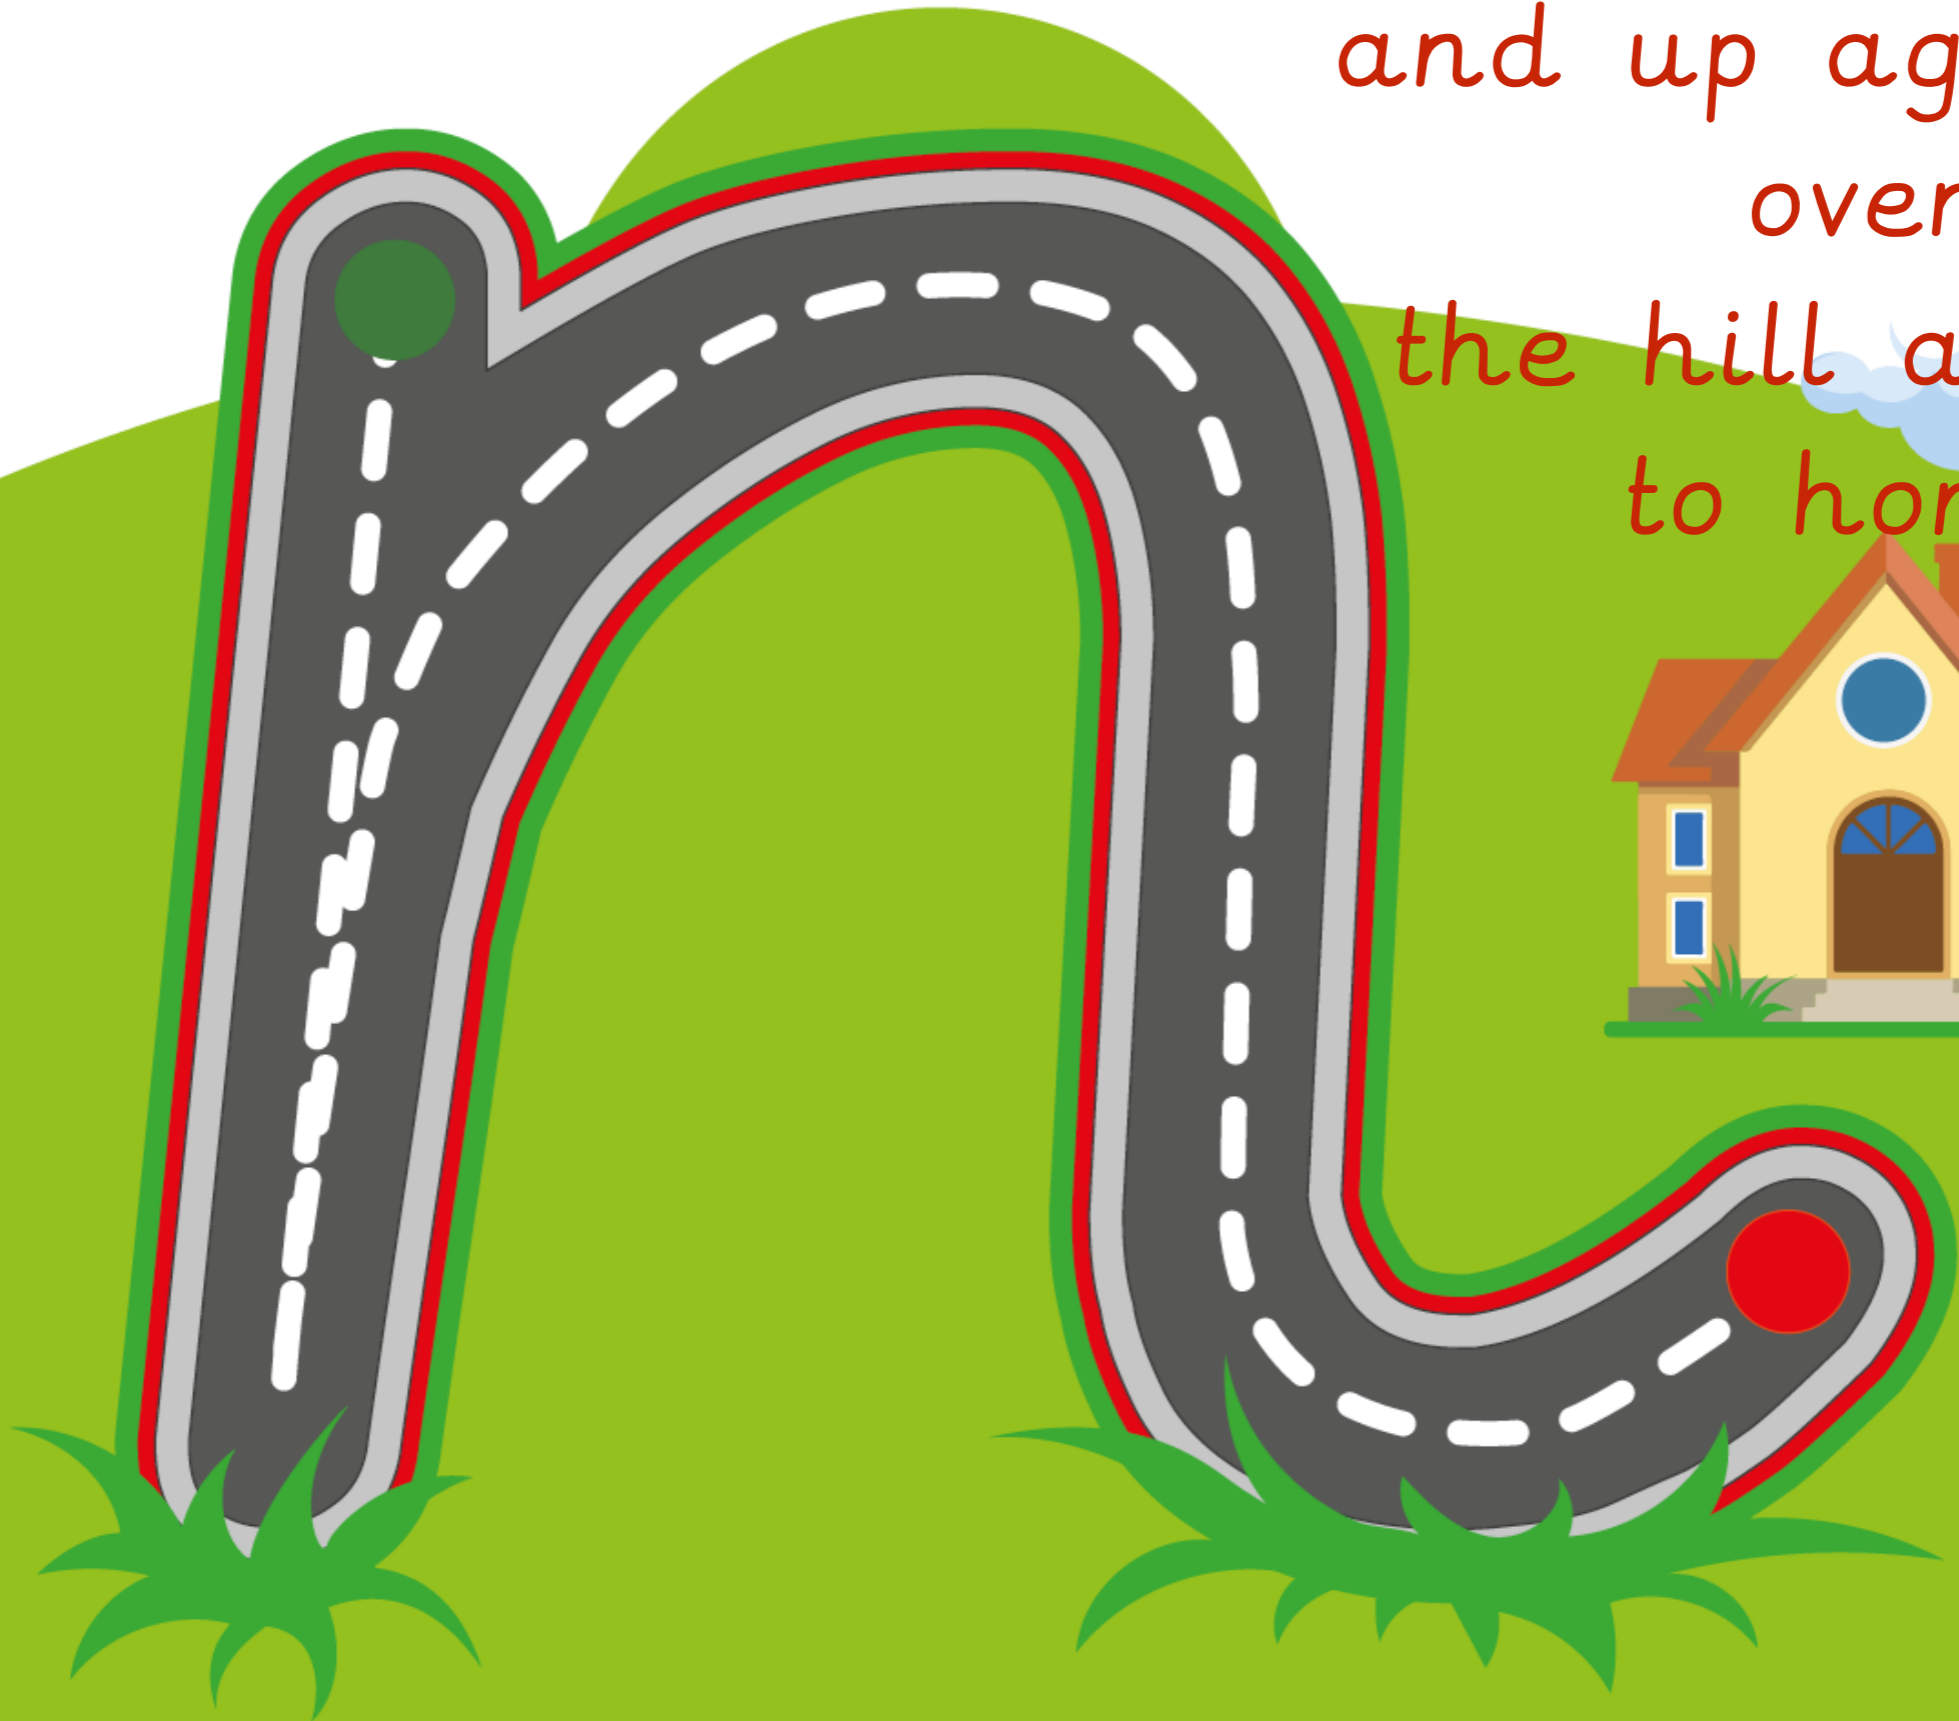

down the road  
and up  
to home, dot it

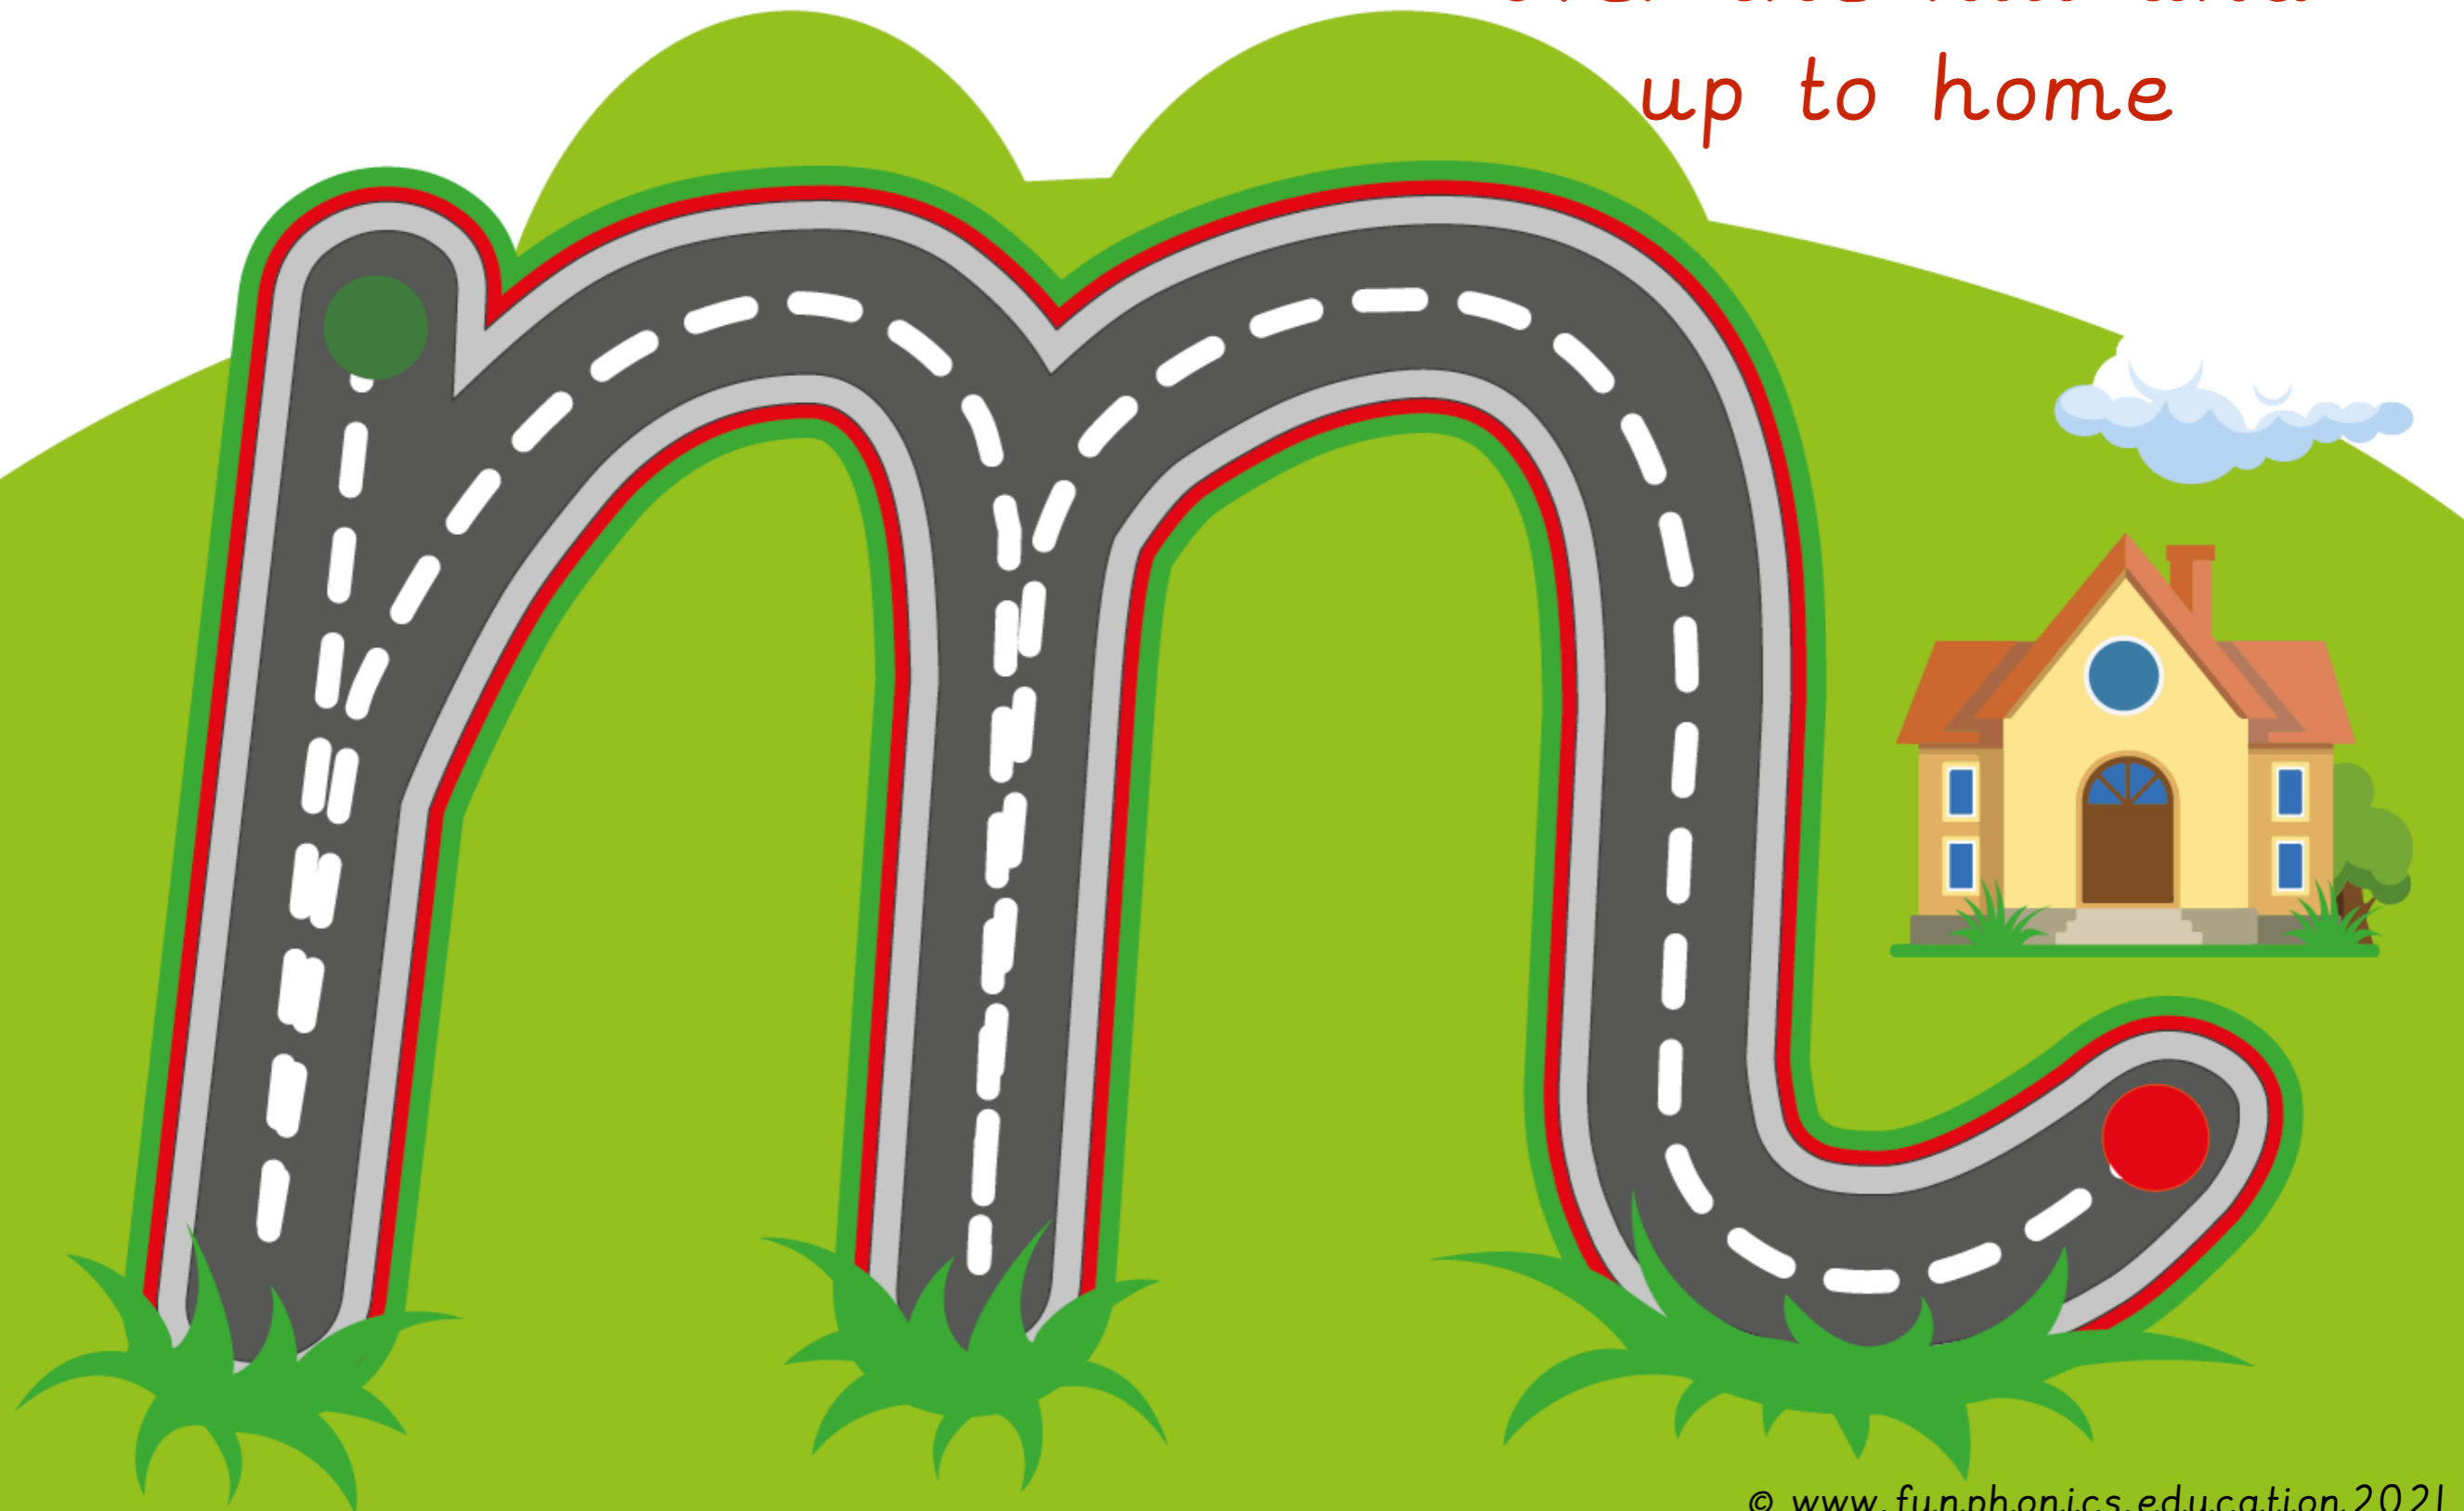

Let's air write it!

Down the road,  
and up again, go  
over  
the hill and up  
to home

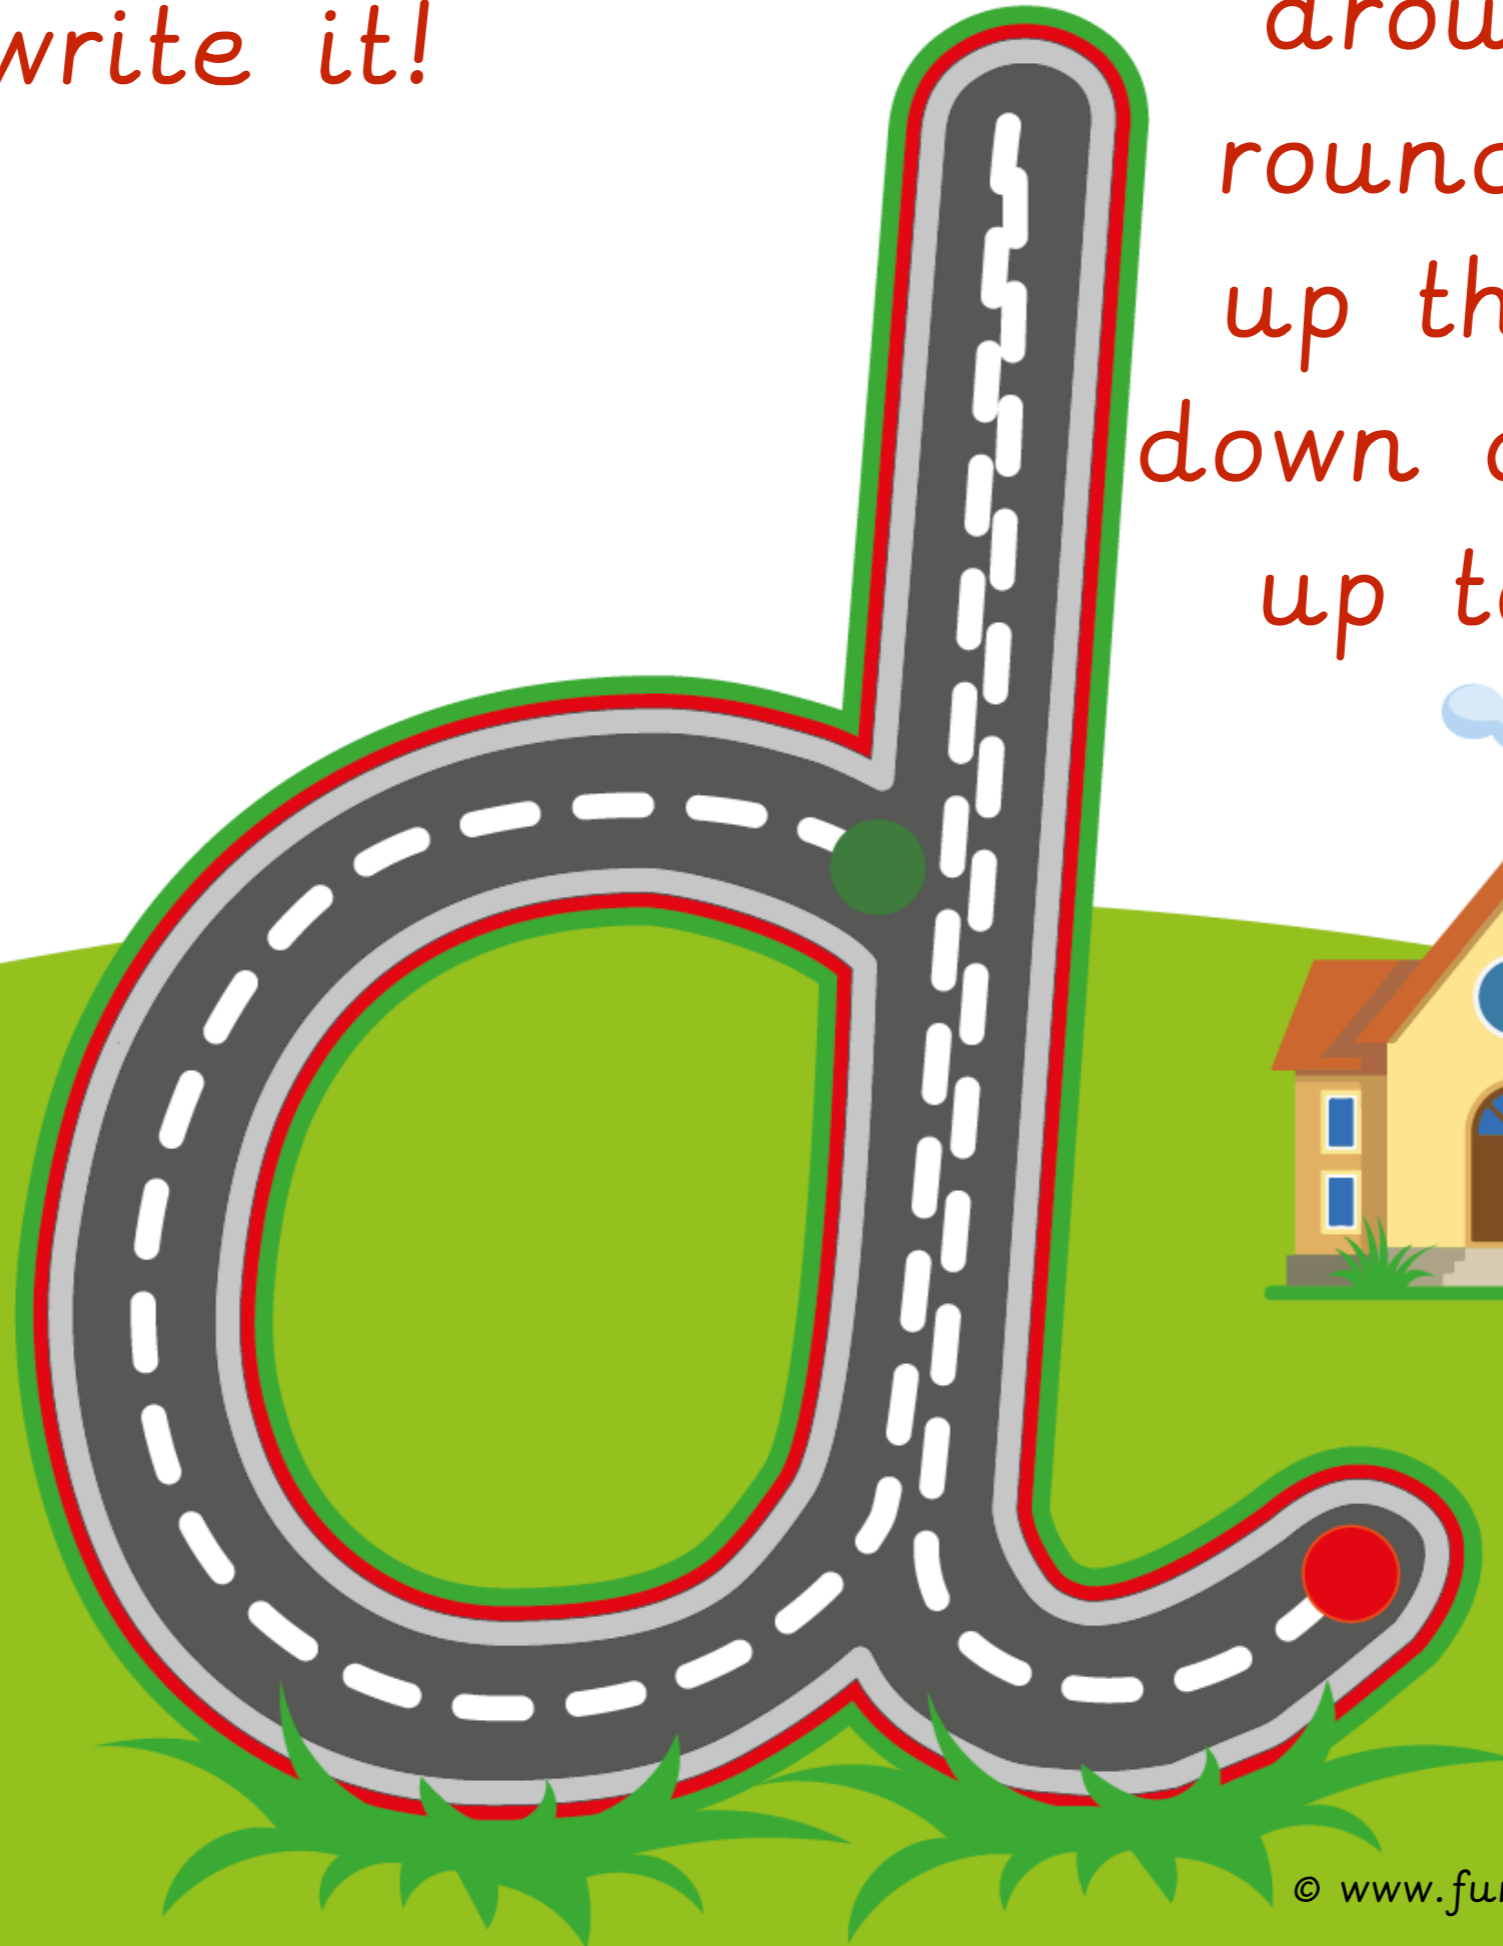

Let's air write it!

down the road and  
up again, over the hill,  
over the hill and  
up to home

Let's air write it!

around the  
round about,  
up the road,  
down again and  
up to home

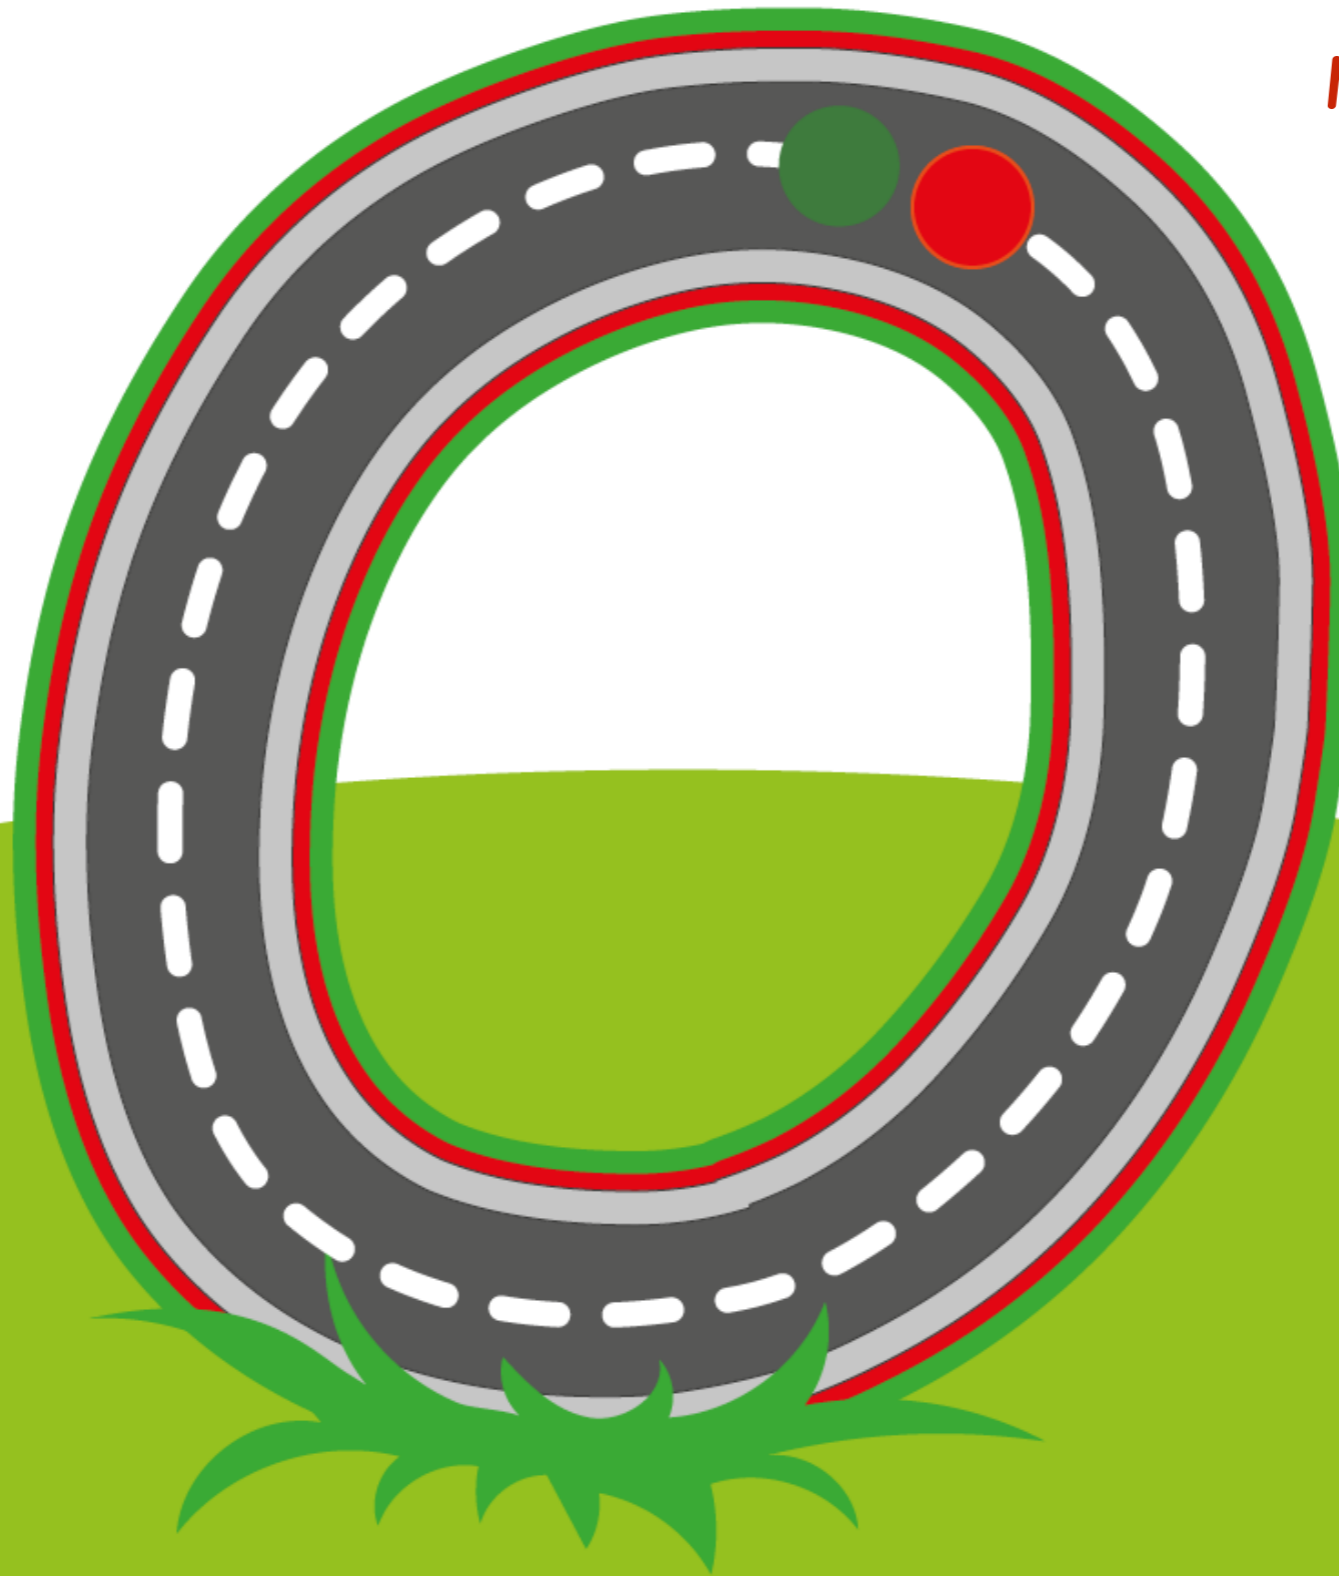

Let's air write it!

around the  
roundabout,  
down the  
road and up  
to the park

Let's air write it!

Around the  
roundabout

Let's air write it!

around the  
bend  
and up to  
home

Let's air write it!

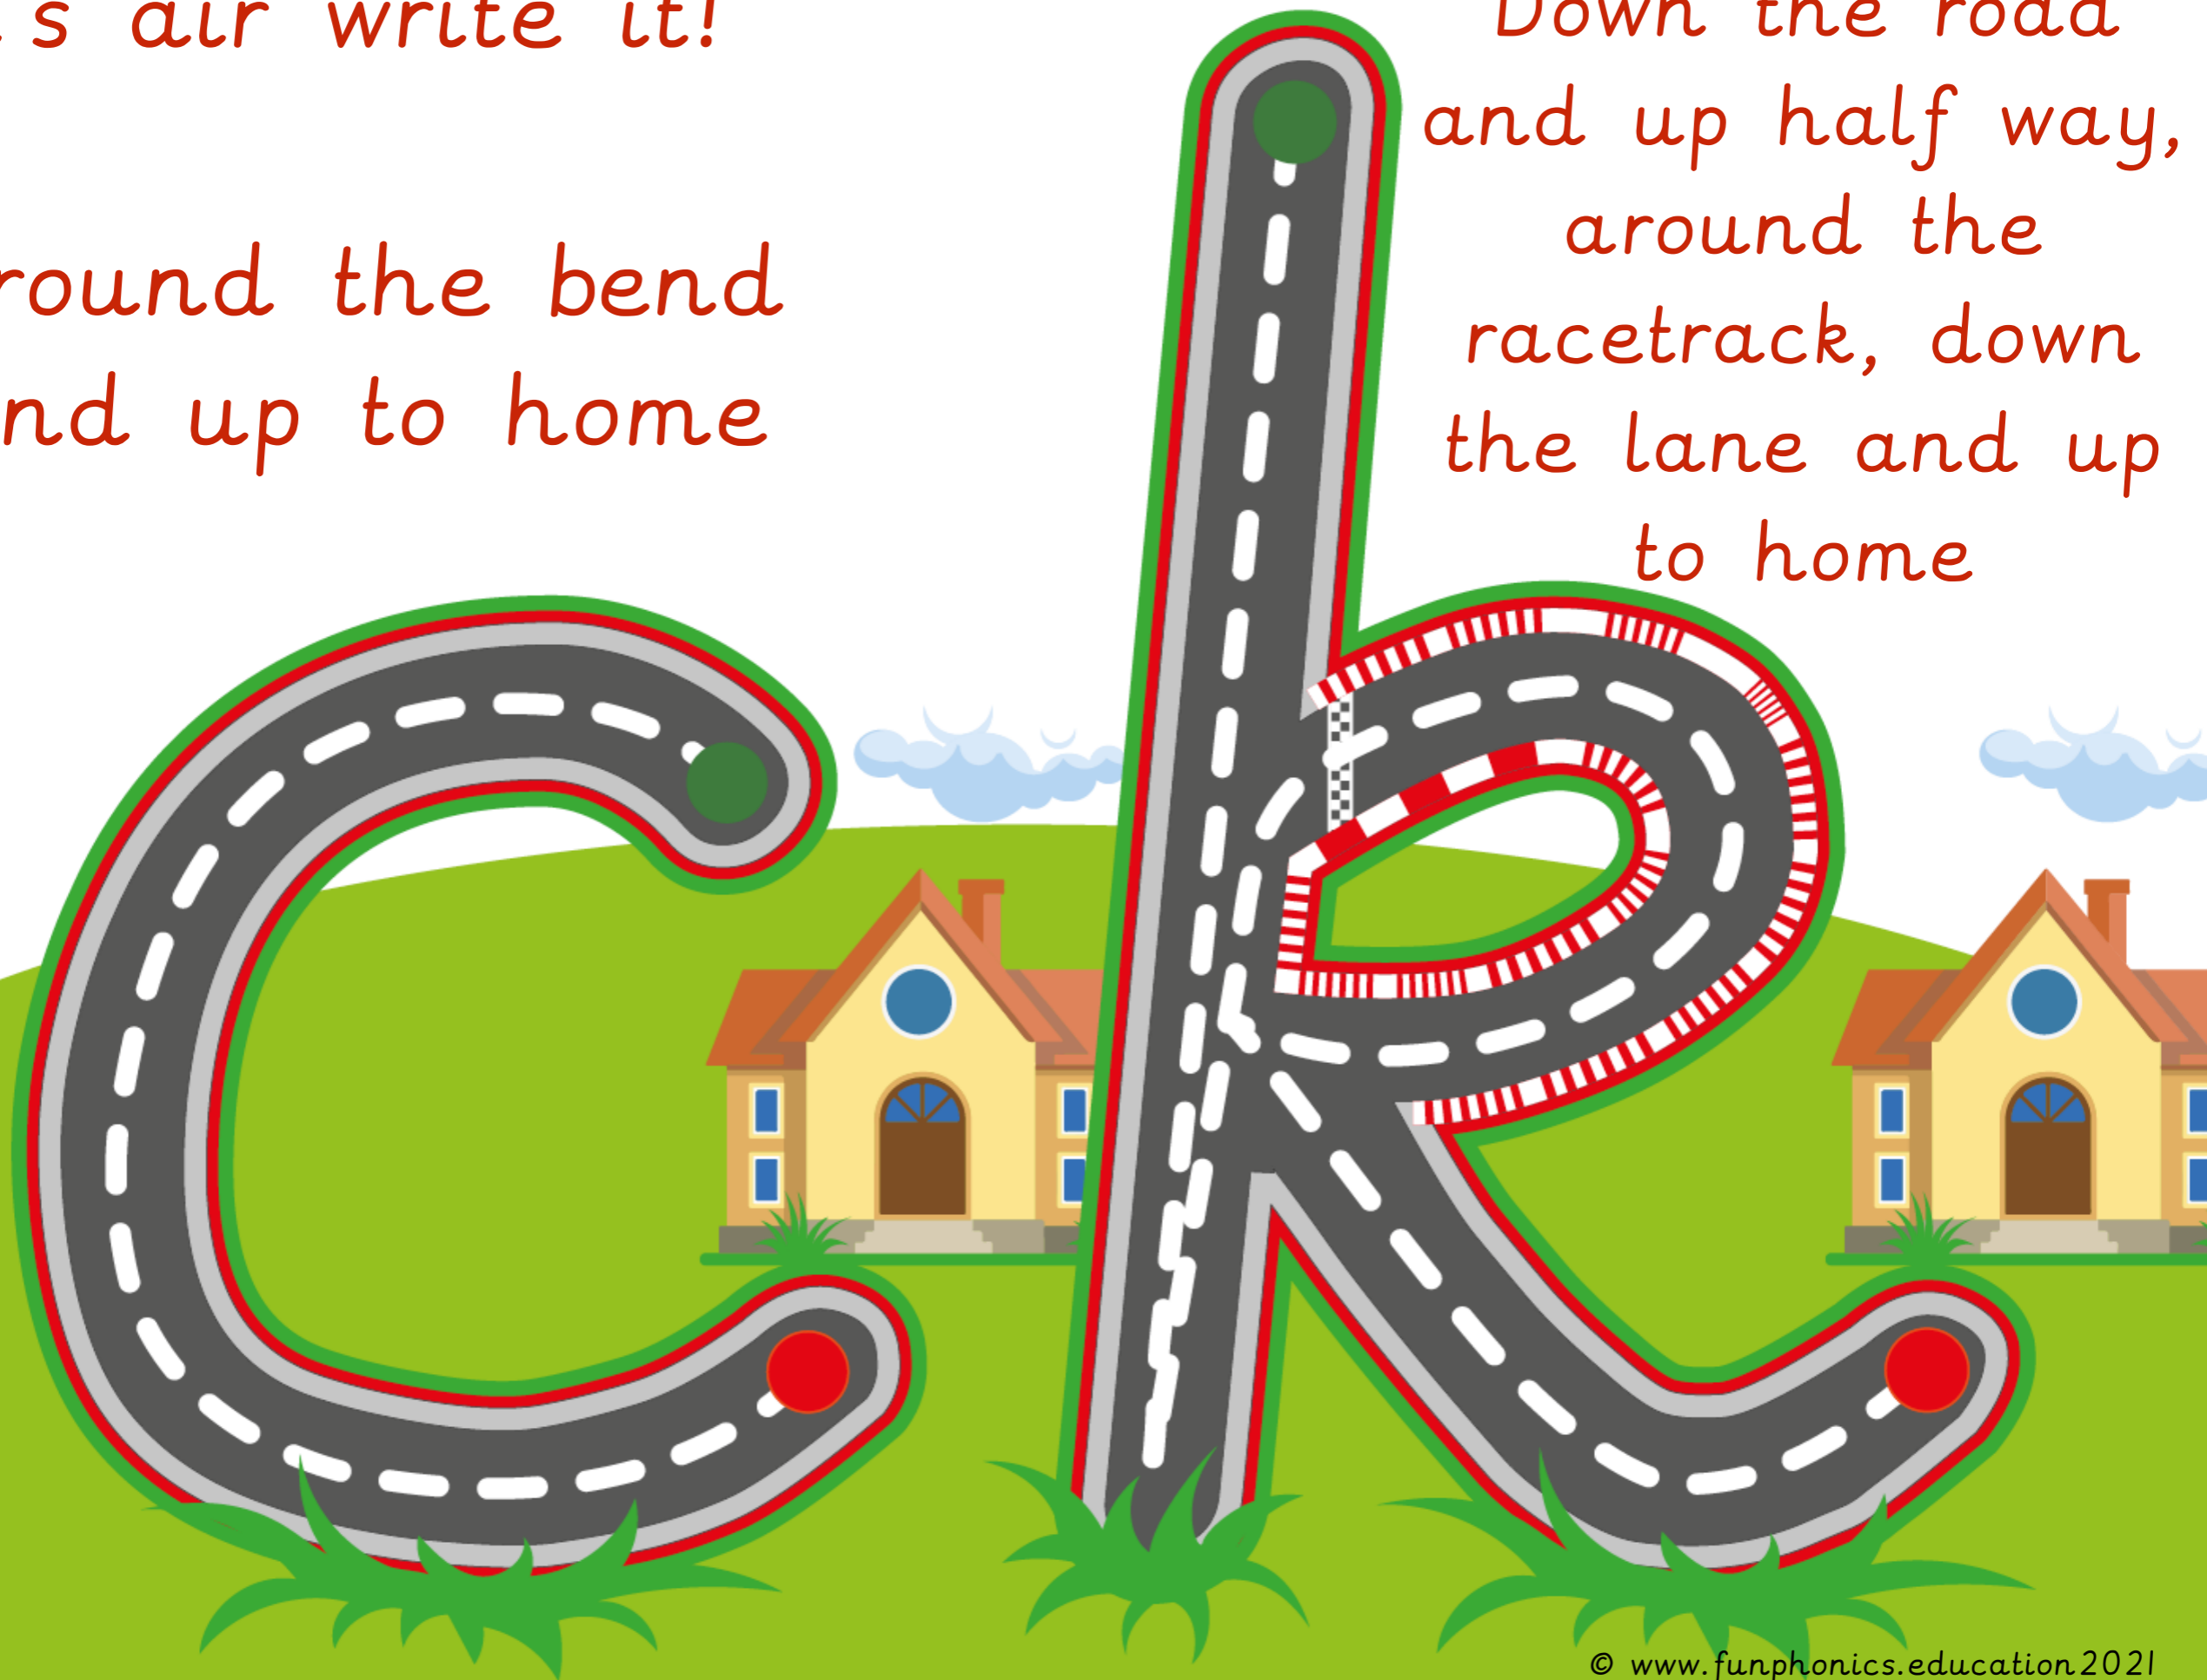

Down the road and  
up half way, around  
the racetrack, down  
the lane and up to  
home.

Let's air write it!

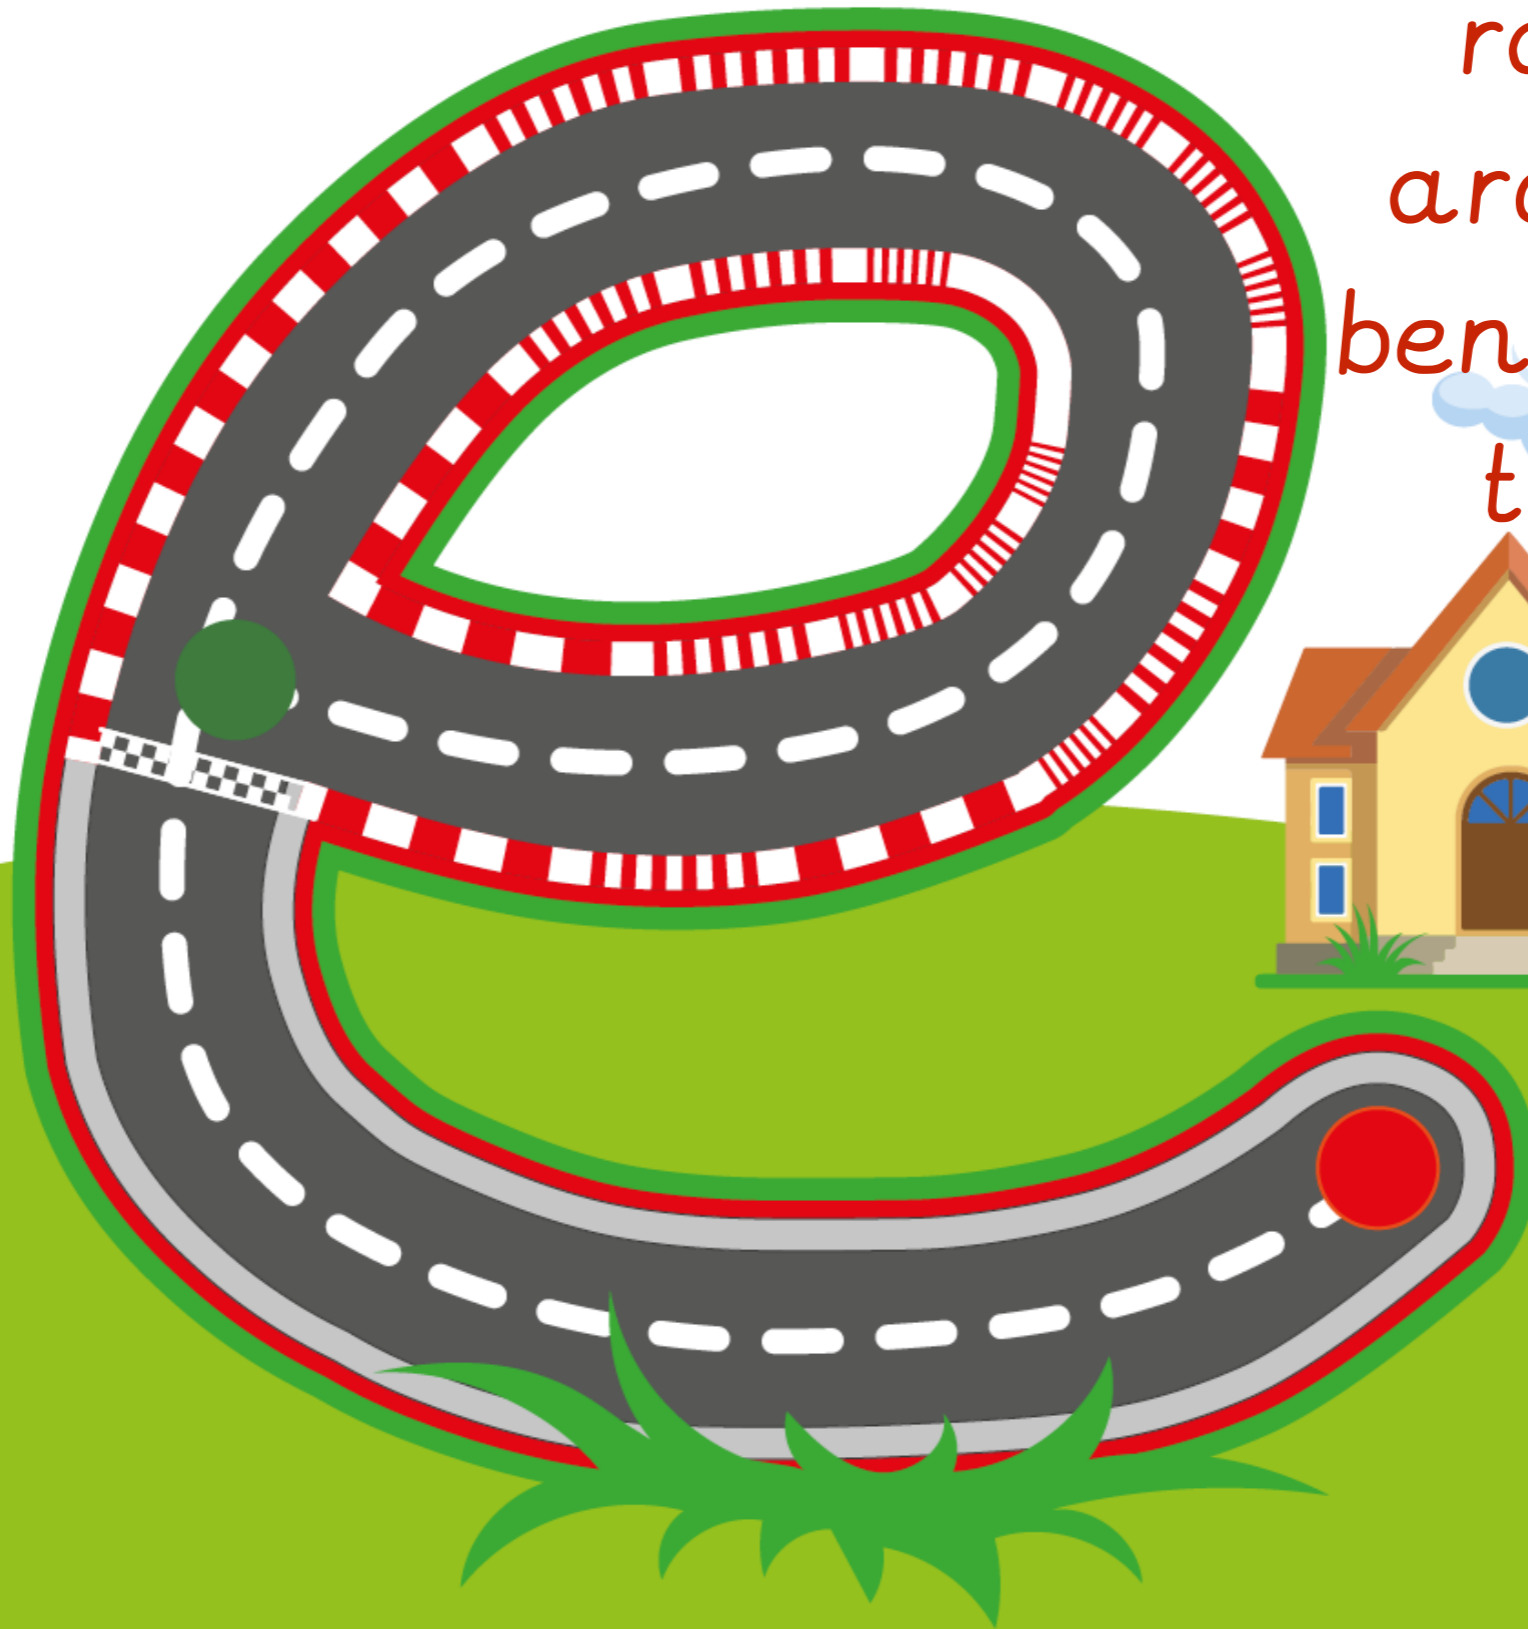

around the bend  
and up to home

Down the road  
and up half way,  
around the  
racetrack, down  
the lane and up  
to home

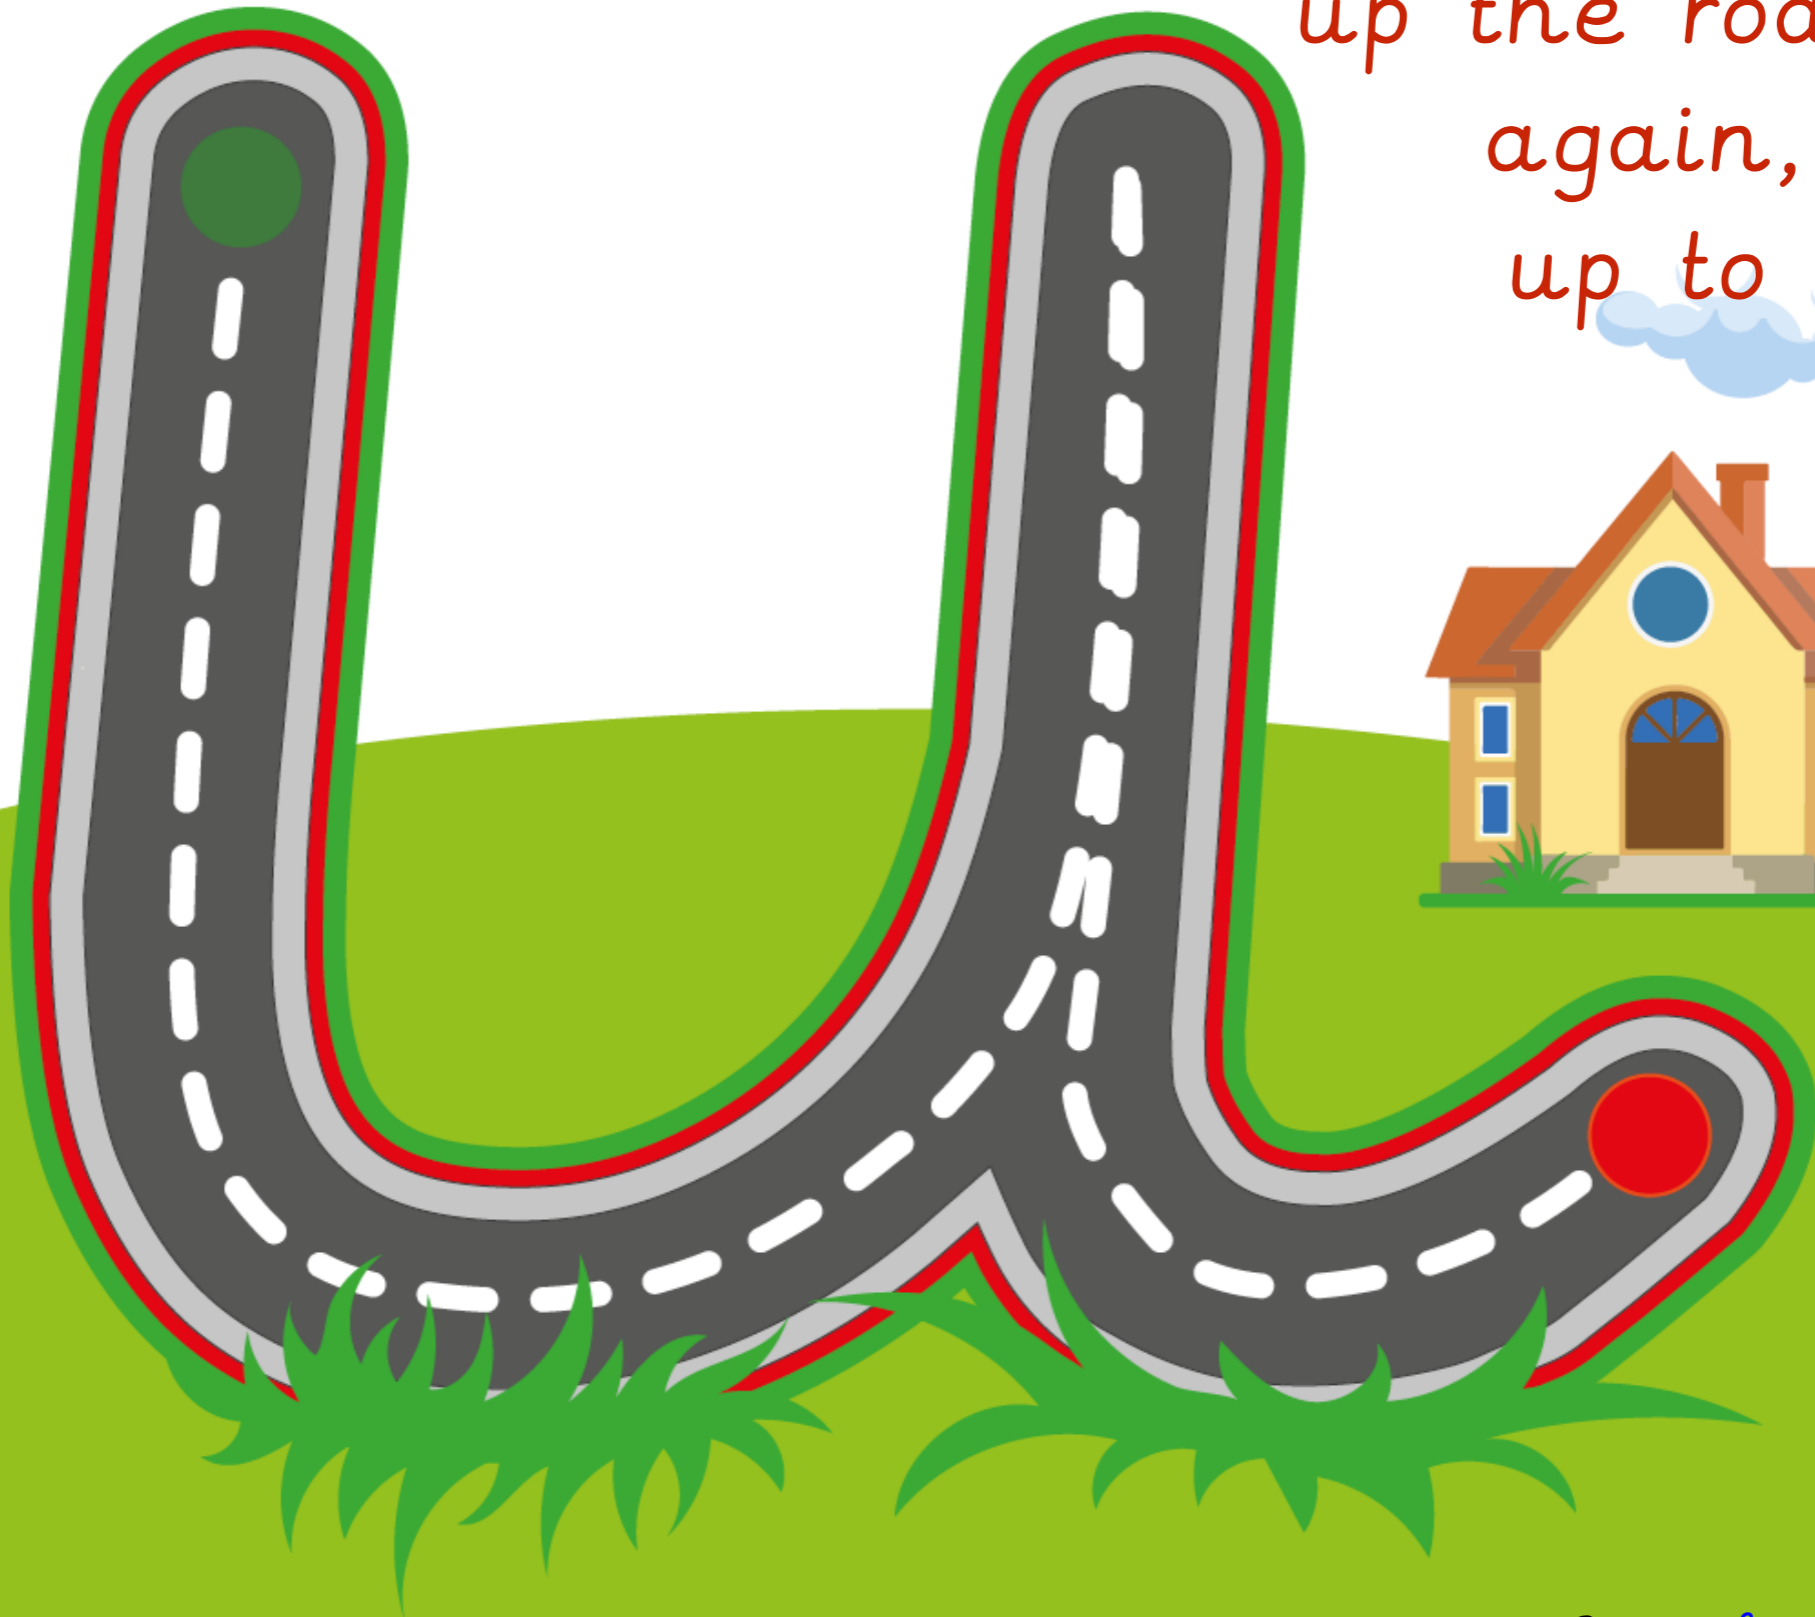

Let's air write it!

Around the  
racetrack,  
around the  
bend and up  
to home

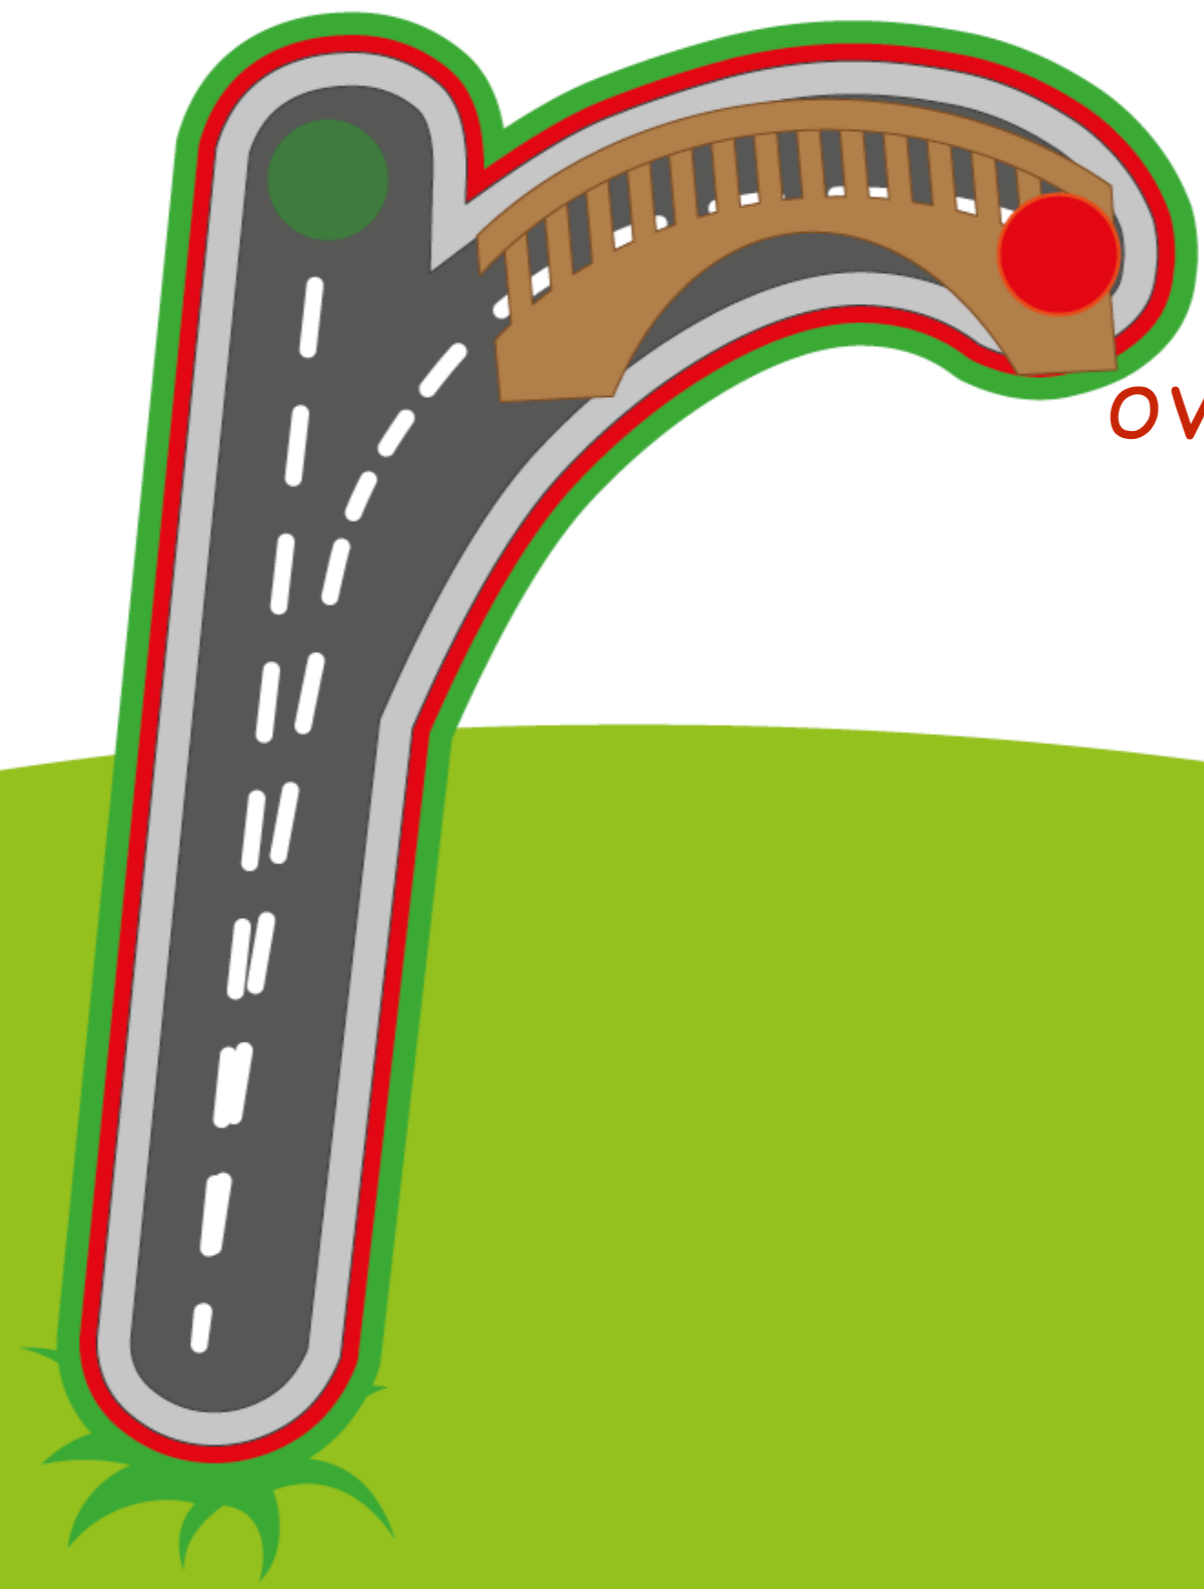

Let's air write it!

down the road  
around the corner  
up the road, down  
again, and  
up to home

Let's air write it!

down the road  
and,  
up again,  
over the bridge

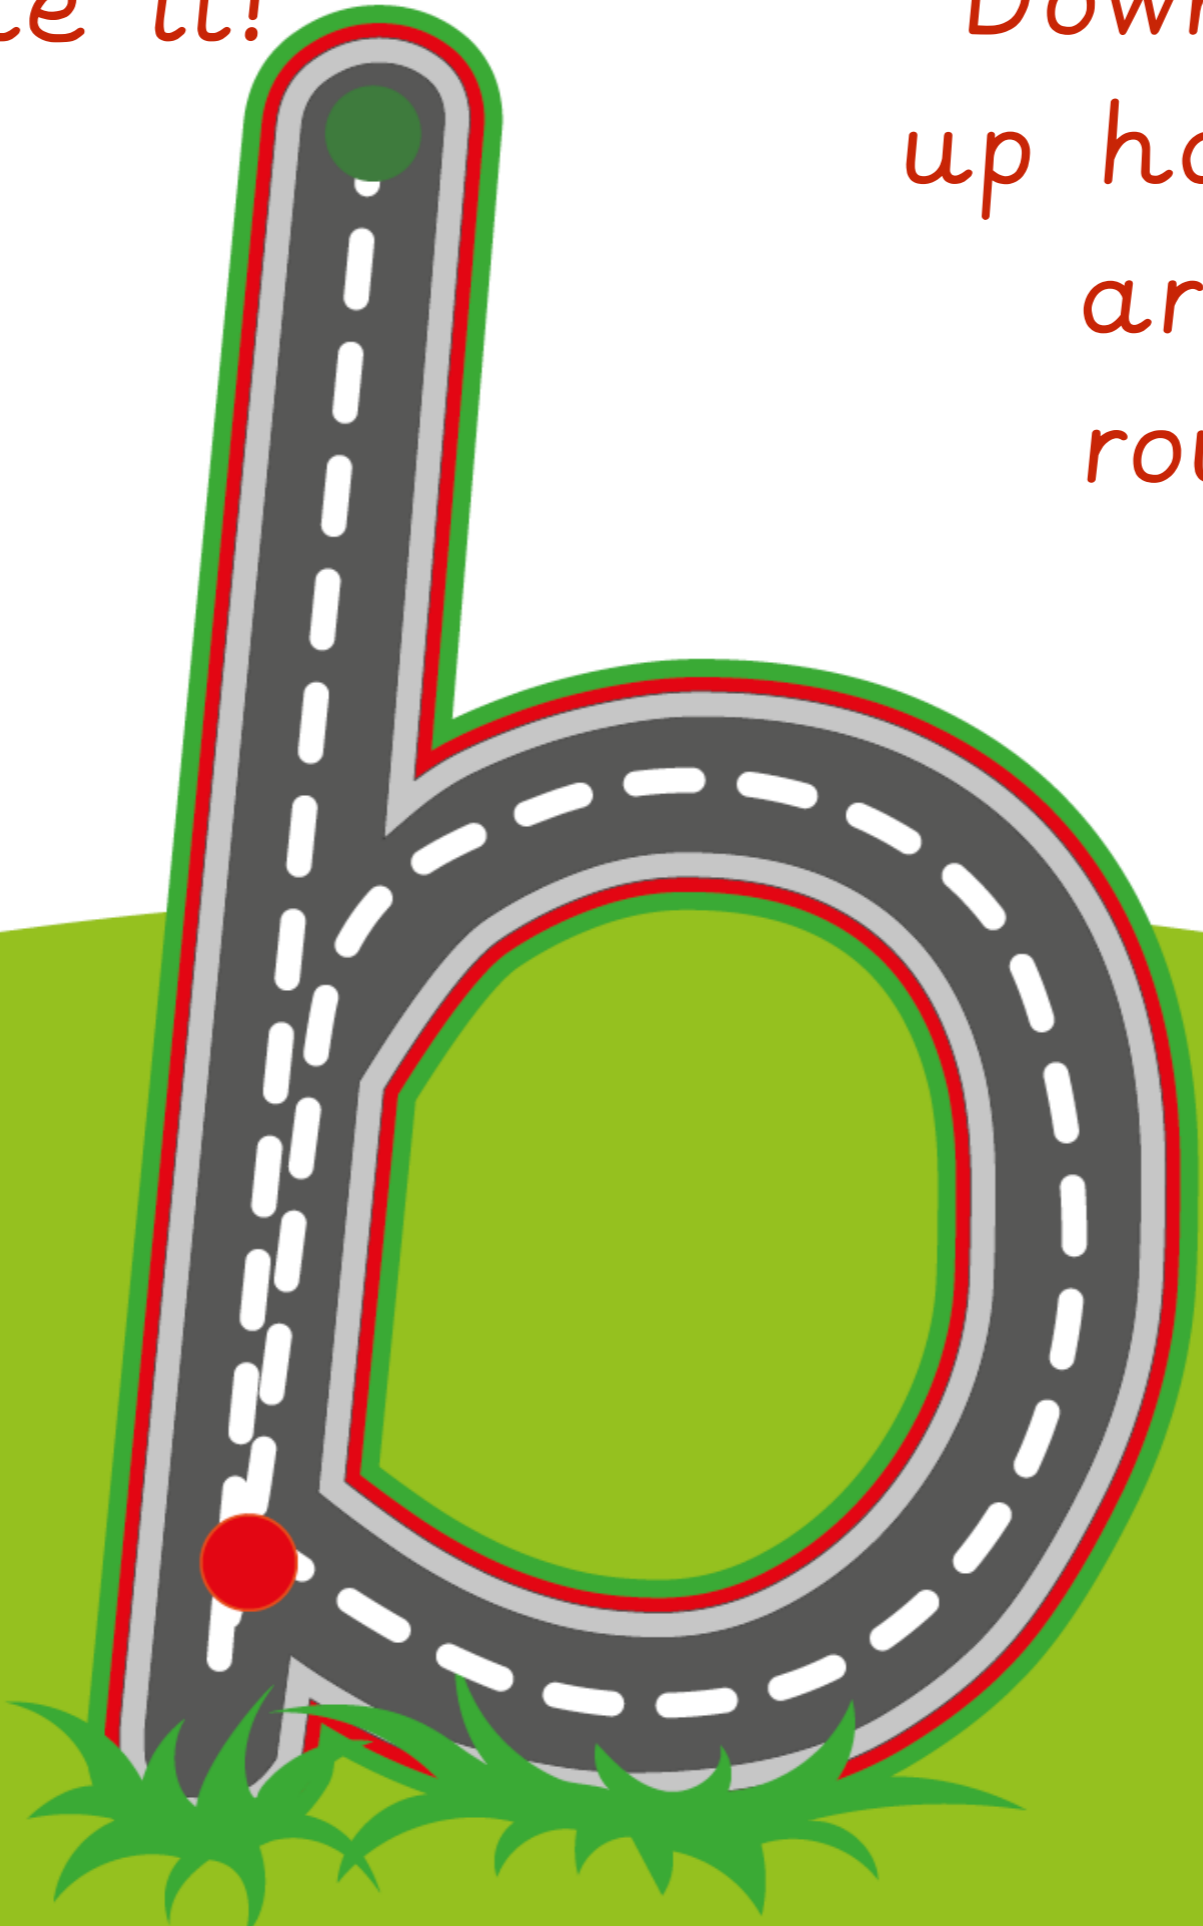

Let's air write it!

Down the road and  
up half way, over  
the hill and up to  
home

Let's air write it!

Down the road,  
up half way and  
around the  
roundabout

Let's air write it!

over the  
bridge, down  
the road, up  
to the park and  
over the zebra  
crossing

Let's air write it!

Down the road  
and up to home
